Dear Grandpa,

I know that you don't use email, so I am sending you this letter to tell you about my new school. I hope that you and Grandma are doing well. I am looking forward to the next time we can meet.

This year, I joined the badminton club, and I usually play badminton after school. We play in the gym until about 5 p.m. After that, I eat dinner, and then I go to cram school. I study science and math there because they are difficult for me. On Saturdays, I have English conversation school at 10 a.m. for an hour and a half. I like speaking English with my classmates. It's fun!

What are you doing in your free time these days? Do you still like fishing? Dad and I went fishing up north last month. It was a little cold, but it was a fun adventure. We will go and do it again before summer comes. I hope I catch a big fish!

Well, that's all for now. Please write back when you have time.

Love,  
Ken
