## Keynote

**“ Inquiry is not just for students: a new approach to IB programme development ”**

### Erin Albright

Head of Post-Authorization Services  
at International Baccalaureate, Bethesda,  
Maryland, United States

Erin Albright, the keynote speaker, will provide an overview of thinking behind the changes to the standards and practices and insights into new perspective on authorization and evaluation processes.

# Breakout sessions

The breakout sessions will focus on different standards from the perspective of educators and administrators. Each session will be run twice, once in the morning session and once in the afternoon session.

*The breakout sessions will be interactive with participants producing a digital resource to share with the community.*
